RSNU PTACs

Rising 36 Stories in the heart of Fort Greene, DKLB BKLN's striking glass and metal façade has become an architectural icons set in one of the most sought-after neighborhoods in Brooklyn. Spacious and bright studio, one- and two-bedroom residences offer spectacular city and river views, 9 to 11 foot high ceilings, designer kitchens, oversized closets, luxurious baths, and washers and dryers in every home. DKLB BKLN is one of the first green rental buildings in Brooklyn and is Silver LEED certified, making it easy to live eco-friendly.

Owner/Developer

Forest City Enterprises

Packaged Terminal Air Conditioners (PTACs) from Ice Air offer ultra-high efficiency in a durable, user-friendly package for new construction or replacement applications.

RSNU PTACs are a whisper-quiet solution offering exceptional energy efficiency. RSNU PTACs combine advanced features to satisfy LEED criteria requirements with easily programmable user settings for even greater energy savings.

About Ice Air. Headquartered in Mount Vernon, NY, Ice Air develops and manufactures a wide variety of HVAC units for new construction, replacement and retrofit applications. The company's PTAC products are designed to provide years of efficient, trouble-free performance in multifamily housing, hotels/motels, dormitories, commercial buildings and similar projects.
