PTAC

RSNU PTACs

Vail's Front Door project has recently come to fruition with the completion of our luxurious RockResorts Spa®, new skier service center, an exclusive ski club and more. Our newly opened state-of-the-art RockResorts Spa® features 11 treatment rooms, seven massage rooms, a fitness center and modern facilities. Renowned for relaxed luxury and impeccable personal service.

**Packaged Terminal Air Conditioners (PTACs)** from Ice Air offer ultra-high efficiency in a durable, user-friendly package for new construction or replacement applications.

**RSNU PTACs** are a whisper-quiet solution offering exceptional energy efficiency. RSNU PTACs combine advanced features to satisfy LEED criteria requirements with easily programmable user settings for even greater energy savings.

**About Ice Air.** Headquartered in Mount Vernon, NY, Ice Air develops and manufactures a wide variety of HVAC units for new construction, replacement and retrofit applications. The company's PTAC products are designed to provide years of efficient, trouble-free performance in multifamily housing, hotels/motels, dormitories, commercial buildings and similar projects.
